

Travel mugs are a mainstay in the workplace, in the car and in most households. Meridian offers durable, insulated, lidded and practical stainless coffee mugs with eye-catching, 2" custom appliques affixed to each one.

Get away from "the usual" screen-printed mug and show recipients that, with some thought and Meridian's creativity, they can have a terrific piece that's anything but usual.

Options (P)

- Antique pewter finish on insert @ N/C
- Colorfill: 1 color @ \$1.30....2 colors @ \$1.90....3 colors @ \$2.30
